

Service Order Return Form

AeroForce Technology

34115 Mills Road unit 6W • North Ridgeville, OH 44039

Please fill out All lines: Orders that arrive without this form or the required info will be rejected & held pending proper paperwork. If there is no response after 1 attempt the product will be returned at customer's expense. Please include this form in the box with the unit(s)

- ❖ All non-warranty returns or items in warranty deemed to be customer fault will have an evaluation fee. If you decide you do not want an item repaired or the return is deemed beyond repair the evaluation fee will apply.
- ❖ All returned electronic products will incur a 15% restocking fee.
- ❖ UPS is recommended for all shipments within the United States.
- ❖ Domestic Postal shipping is recommended for all international shipments. AeroForce Technology will not accept any package that has postage due. This includes any duties, customs and/or brokerage fees.
- ❖ Wide Band Sensor kits returned that are found to be functional will have an evaluation fee of \$32.
